

Tokyo International Kindercare is an international preschool and kindergarten serving children ages 18 months – 6 years old in downtown Tokyo, Japan. TIK provides a comprehensive “whole-child” curriculum that is aligned to both U.S State standards and best practices in international schools. TIK’s curriculum supports the intellectual, physical, emotional, social, and aesthetic development of young children.

Tokyo International Kindercare firmly believes that children are our future. We understand the tremendous impact that quality early- childhood educators are able to make on the lives of young children. Thus, TIK believes in the development of quality educators and proudly supports student internships at our school. We are now looking for aspiring educators to join our comprehensive internship program. We are interested in partnering with your university to provide internship placements for your students. Currently we have two campuses located in downtown Tokyo and we have happily hosted student interns from all over the world the past several years.
